It was just what my bible study group was looking for. We are all work daytime jobs outside the home, attend church, work in different ministries etc. we are all extremely busy, none of the women have a lot time to devote to a long complicated study. In the past we worked on studies that were so hard and extremely time consuming many of the women just simply gave up. This study is easy to do yet fulfilling. Wonderful study! Who doesn't want to learn about God's love for them?

We are doing this study right now in our women's group at church. I really like how this book is laid out. It not only gives us some good questions to discuss in group but it really pushes me to get into

the Word on a daily basis. You don't just read a verse and call it a day. You are encouraged to really reflect on what you are reading. Highly recommend this book.

LOVING this study! It's been exactly what I needed right now. There's enough content to have the weeks really last you all week. They introduce the principle of reading scripture, writing it, praying though it, and thinking on to really allow it to sink in, I love that part! Highly recommended.

Very well done, it's an awesome and easy way to get God's Word in for the day. I love that it has an 8 week plan to get into Scripture. I would highly recommend this book to anyone wanting to know more about their acceptance through Christ and not the world we live in.

Great Bible study for ladies. Any product put out by the Women of Faith can be counted on to be a great product. Received quickly.

Very well written and talks about God's love in a way that is easy to embrace.

Amazing book. I'm loving it. I'm using it for the women's group I lead. Everyone loves it. It applies to our lives in a powerful way.

Using it for our Womens' bible study group. Excellent for women seeking to daily devotion and are new to study God's word.
