The Freedom Of A Christian

Synopsis

Perhaps no work of Martin Luther's so captures the revolutionary zeal and theological boldness of his vision as *The Freedom of a Christian*. Yet, it is not easily accessible today. Mark Tranvik's new translation of Luther's treatise brings alive the social, historical, and ecclesial context of Luther's treatise. This is the first of a set of student guides to key Reformation treatises by Martin Luther, concentrating on those most widely used in college settings.

Customer Reviews

An unfortunate circumstance in our age of media and information overload is that students are more informed on modern trends and popular culture than they are of history. This lack of exposure to history can be a real handicap to students as they labor through the writings of theological giants like Calvin, Luther, and others. In order to bridge this gap, publishers are producing many reader's and study editions of important works in order to make these writings accessible to a whole new generation. Hats off to Fortress Press for doing just that, with this updated edition of Martin Luther's *The Freedom of a Christian: Luther Study Edition*. Mark D. Tranvik puts twenty plus years of teaching Martin Luther's *The Freedom of a Christian* to work in bringing us this most excellent Luther study edition. This volume offers an updated translation as well as very thorough footnotes and commentary. With these helps as their guide, readers with minimal exposure to Luther's writings and their historical context will be able to follow along with relative ease. I particularly enjoyed the introductory chapter titled *Martin Luther's Road to Freedom*. It gives the reader a good

idea of the extent to which the fear of death and the devil dominated the culture of the sixteenth century. This chapter also offers a brief biographical sketch of the life of Martin Luther and as the title of the chapter suggests, his road to freedom. The remainder of the book is comprised of two parts. First is Luther's letter to Pope Leo X in which he notes that he has dedicated his short essay on the entire Christian life (i.e. The Freedom of a Christian) to Pope Leo. Second is Luther's essay titled The Freedom of a Christian.
