## **Synopsis**

It's Valentine's Day, and for Peppa, it's all about love. It's February 14, and Peppa Pig's family is playing the I Love You game! Peppa loves many things: her goldfish, her birthday, cookies, books, going to school, and so much more. George mostly loves dinosaurs. Mummy and Daddy Pig have their favorites to add to the list, and so do Granny and Grandpa Pig. But what does Peppa love most of all?

It's Valentine's Day in PEPPA PIG AND THE I LOVE YOU GAME and Peppa's family celebrates by playing the "I Love You Game." The "I Love You Game" is a game that has everyone in the family telling everyone else about what they love. PEPPA PIG AND THE I LOVE YOU GAME is a typical Peppa Pig story and is sure to delight fans of the series.

In celebration of Valentine's Day Mummy Pig suggests that the family play the I Love You game. She has each of the family members: Mummy, Daddy, Peppa and brother George, naming all of the things they long and enjoy doing, and each names many things and people that they enjoy and love. While the illustrations are once again awesome and fun, this book wasn't a favorite of mine. I do think these books are best appreciated by readers who have seen Peppa and her family on television as that is where all of the characters really come alive and warm your heart.

Bought this for my 3 year old daughter. She absolutely loves the book

My daughter loves the book! There are valentines that you can color. Very nice! Thank you!

Fun for the Peppa Pig lover.

I purchased this book for my two year old who is obsessed with Peppa as a Valentine's gift. She has insisted on reading it and only it since then! Highly recommend for toddlers.

I've bought several Peppa books but this one is my grandson's favorite. Very cute book about all the things Peppa and his family love - especially Muddy Puddles!

Just in time for Valentine's Day, another fun Peppa Pig book! Same characters and illustrations that we've come to expect from the Peppa Pig franchise.
