Exalting Jesus In Exodus (Christ-Centered Exposition Commentary)

Synopsis

Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition. *Exalting Jesus in Exodus* is written by Tony Merida.

Book Information

Series: Christ-Centered Exposition Commentary (Book 2)

Customer Reviews

Just as the title suggests, Jesus is first and foremost for Merida and the team at Holman Reference. By focusing on passages/themes rather than going verse by verse, Merida keeps busy pastors in the heart of the message of Exodus. Not only that, but there are illustration ideas provided, too! That's a win-win. I'd encourage you to grab a copy of this short commentary.

My favorite commentary on Exodus is *Moses and the Gods of Egypt* by Old Testament scholar and archaeologist John J. Davis. That book examines the text of Exodus in the light of archaeological and historical studies. I found *Exalting Jesus in Exodus* to be an outstanding complement to Professor Davis's accessible, academic work. *Exalting Jesus in Exodus* is exegetically sound, but it helps the pastor or teacher to

move from the text to something applicable and shareable. From the beginning and its emphasis on an Exodus-shaped redemption to the end and these words, "If we had never heard the story of the exodus, this section would not really appear redundant. There would actually be suspense. Would God dwell among a sinful people in the tabernacle? These final chapters bring the book to a climactic finish," it lives up to its name.

Great commentary for preachers and teachers. A ton of research, creativity, insights, illustrative thoughts and life application. I've been amazed at the ability of Tony to connect the life and ministry of Jesus to the events of the Exodus.

Just began reading. But it is by far an excellent resource for anyone seeking know more about God The Father, God The Son (Jesus Christ My Precious Redeemer). It is a wonderful tool to have. I cannot for the remaining series to out.

Great commentary on exodus. Highly recommend. I will definitely purchase some of the other commentaries they have.

Great and practical

Five stars

Useful for understanding exodus
