Customer Reviews

I am amazed at how many times this book speaks to me right where I am at in my life! Spurgeon was revered in his time, forgotten in ours, resurrected here in this neat compact edition, an essential item for anyone walking 'the Way'.

This little book is a giant! Mediating on its writings makes one feel as if God himself is sitting down next to you! and having a real conversation! After many years of having set the book aside for a variety of reasons, I've picked it back up again, and I feel so like I've come back home. I highly recommend it!

The Editor for this Audiobook must have been off his game. The Narrator DC Goode clears his throat (3/1 Morning), or if he makes a mistake, he starts over. I assume he assumed that the editor would

cut it out, but they didn't..Still, it's an excellent Audiobook

This was written a century ago, but holds truths for today's living. there is a morning devotional and an evening devotional for everyday of the year. I found myself "reading ahead" simply because it was so inspiring.

I like this devotional because, instead of taking up most of the page with modern stories, illustrated with one verse, Spurgeon takes one verse and applies it and opens it up like a flower, a petal at a time.

I love this book. Nearly every entry that I read is perfect for the moment and thought provoking. The devotions are not too long, they take only a few minutes to read but somehow they are still deep and go straight to my heart.I use the devotions that I particularly like for teachings, encouragements and discussions for both church services or for devotion time. I find that Spurgeon not only encourages me with the truth but that he builds my faith and broadens my perspective on the faithfulness, the love, the grace and beauty of my Father, God.This book is truly a timeless little piece of inspiration, which I would recommend for young and old, new in the faith or mature alike.

My wife uses this every day. She has for over 5 years. Our old one needed to be replaced and this is the same book. You will be blessed with this as Spurgeon really shows the glories of our Lord Jesus Christ.

This is a must have for everyday devotion.
