For those who are complaining about his size, he's a JUVENILE squatch people! You are lucky to even be seeing him because squatches are naturally very elusive!!! He is a tiny bundle of furry joy!

If you are a Squatch fan, this little guy can make your day. Tiny and just the right size to stick in a stocking or care package. Can easily hang in a locker or sit among your other bigfoot toys. The personalized book is fun for kids who like the adopt-a-toy format.

This 3" tall furry friend is ideal for a child or a child-like adult who likes unique things. Comes with a little booklet for this cute little guy. Sure it's a bit pricey but it's the exact same price on peter pauper press site (the company who made him) only they're actually sold out of him now, as is Barnes & Noble. Looks like this is the only place to get a cutie bigfoot toy.

Bought it for my daughter...She loved it!! It is small, but perfect for little ones. Fun little book to enjoy

everyday.

Cute, Furry, different. The small caregivers guide that went with it made my son feel authentic lol. It was his favorite gift!

I love Bigfoot and many types of monsters. Adopting one was right up my alley. This plush Bigfoot comes with an adoption book/guide. He is not poseable. He is very soft and goes cute with the yeti plush I also adopted.

Awww...my very own tiny little Bigfoot...I love it! Bigfoot comes with a cute and amusing little booklet in which you can record your adopted baby's name and pertinent details...also gives some humorous, adorable guidance for new Bigfoot parents. :) A darling little gift for a child or adult. I bought it as a gift for myself. ;) He sits next to my computer with my other "Rescue-Kit" pets. I love this little guy. I will probably buy one more so that he won't be lonely. :3

I would like to point out that the dimensions of this item are in the description. I ordered 2 for my boys. They love them! These are the perfect size for kids who like to sleep with and bring their toys along on car trips. They loved the book and have read it over and over. Great item!
