Anglican Prayers For Children

Synopsis

This is a beautiful volume that is timeless and that will encourage both children and adults in their daily prayer lives. It is a good choice for both baptism and confirmation gifts. The hope of this book is to help children in their independent life of prayer, and young families develop meaningful and age-appropriate family prayer times. This prayer book is illustrated with over 40 classical masterpieces of Christ's life from across the centuries, accompanying traditional prayers that are faithful to the Anglican tradition. Designed for elementary and middle school aged children to navigate without help, it has sections on: Morning, Noon, and Evening Prayers, Praising God, Confession, Prayers Before Meals, Prayers for Other People, Prayers for All Things, Prayers from the Liturgy, and more. Anglican Prayers for Children also includes a section on the basics of the faith: the Ten Commandments, the Lord's Prayer, the Apostle's Creed, important Scriptures to remember and more.

The vibrant beauty of this booklet's cover and its handy size appeals instantly to children and adults alike. Its contents more than uphold this initial draw. Here is a tool, well-honed and keen in its modeling of classical Christianity. "Tool" almost seems too neutral a word to apply to this booklet yet tool it proves to be, gently and lovingly fashioned, having weight and heft in the comprehensiveness of its scope, and such simplicity in its application that the hearts, minds and strength of the children and adults using it, come together. "Easy" and "light." That is how Jesus describes his yoking that brings forth God's image

in God's children and that is the method that "Anglican Prayers for Children" follows.

This Prayer Book is beautifully written and illustrated. It is for all ages and I read mine everyday. The child does not have to be Anglican to appreciate these prayers. It is easy to read and understand. I highly recommend this for all ages and denominations.

This book was a gift, and we are loving using it with our 6-year-old (as the 3yo sort of listens). I love that it includes a variety of topical prayers such as "When Afraid" and "For Someone Who Has Hurt You", giving tired parents good ideas for leading prayer time. It also includes several prayers from the liturgy, passages of Scripture, and excerpts from the Offices of Instruction & Catechism. I highly recommend it for a Christian parent of any denomination to use as a valuable resource.

If you have not seen this book, you should. It is small but filled with a wealth of substance and beauty. I have given it to our adult children for them to use and share with our grandchildren. It is not a light weight book for children. It is a priceless and timeless compilation of traditional prayers for daily use by all ages. I keep my copy in the kitchen where it is close at hand and just purchased 10 more copies for gifts. It is a treasure!

Our family loves this book and has been very blessed by it! I am thankful for the way it helps my children form their words to God and pray in specific situations. I have also given several copies as gifts because I am excited to share this prayer book with other families as well!

This is a lovely book with beautiful prayers handed down through the centuries. I would recommend it to anyone who appreciates the traditional in worship. Great resource for children and adults!

This is a lovely book.
