# The Middle Ages: An Interactive History Adventure (You Choose: Historical Eras)

## **Synopsis**

Capstone's best-selling You Choose format, set in the Middle Ages. Introduction sets the scene and provides context; conclusion provides an overview of the Middle Ages. In between, readers get to choose their path to experience life as it would have been lived in that historical era. Multiple endings and scenarios encourage re-reading and critical thinking.

Language: English

ISBN-10: 1515742504

ISBN-13: 978-1515742500

Product Dimensions: 5.2 x 0.3 x 7.3 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 4.9 out of 5 starsÂ  See all reviewsÂ  (8 customer reviews)

Best Sellers Rank: #659,958 in Books (See Top 100 in Books) #152 inÂ  Books > Children's Books > Education & Reference > History > Medieval

Age Range: 8 - 12 years

Grade Level: 3 - 4

## **Customer Reviews**

This is a great update on the older "choose your own adventure" books. This series is much more visually appealing--color drawings and photos throughout. Also, this series has a strong backbone of historical detail throughout the story. There is a timeline, glossary, and index in the back. There are three storylines within the Middle Ages book: fight as a 12th century knight, be a child of a lady-in-waiting, live as a citizen of Florence, Italy in 1348 praying to survive the Black Plague. My daughter particularly appreciated that there is a female character in this particular book--she commented that the characters are usually male. I would encourage the publisher to include more female characters in future books, but overall, a super new series. Great way to get my reluctant reader boy more into historically based fiction.

I loved it. I read it thru first and am now reading it with the grandkids. It is keeping their attention and

I hope it makes things more real for them. I learned a lot and hopefully since it's in a simple format I'll be able to retain the very basic lessons it provides. Great idea.

A small book, but nevertheless interesting and great as a supplement to a Middle Ages history curriculum. I bought this for my daughter, who is home schooled, and she enjoyed reading the various adventures.

My son enjoyed reading this book and again and again! Creating a new adventure as he went along. Wish there were a few more chances to create adventure in it but all in all a fun book.
