Mandela: The Rebel Who Led His Nation To Freedom (National Geographic World History Biographies)

Synopsis

Nelson Mandela comes to life in this portrait of a diplomatic man whose commitment to freedom gained him both the Nobel Peace Prize and Timeâ™s Man of the Year honor. The son of a Thembu chief in South Africa, Mandela began his life-long campaign against white colonial rule while a college student. Kramerâ™s eloquent, yet approachable text describes the leaderâ™s dedication to nonviolence, his role in the African National Congress and his arrest in 1962 for sabotage and conspiracy. During his 27 years in prison, Mandela continued his fight for a democratic and free society, and ultimately was released and elected president of South Africa. National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information.

Customer Reviews

I love this series! It combines historical timelines, photography, and compelling stories of important people. My son's interest is never lost and he is able to retain the information that he has read. I highly recommend this series to all children.

This book is/was for my wife. It has held her interest. She likes it. When she is done, I will read it. And then, perhaps write a decent review. Or, let her write it.

I loved the book item was as described would recommend it to others I had no problems with the transaction
