I read lots of books on the Christian faith, but never before have I encountered one that pulls the faith's themes together into one powerful summation quite like this book does. The new covenant truly is the heart of our faith and this book uses simple, sometimes passionate language to bring the new covenant into focus. In particular, I was very impressed with the book's extensive and persuasive use of Scripture as the foundation for its message. If you want to gain a better and deeper understanding of your faith and make Christ truly alive in your life, then read this book! I am very glad that I did.

This is perhaps the most important book I have ever read as a Christian of 25 years. Lost Secrets effectively pulls together all aspects of Christianity and places them under the umbrella they should have been under all along - the New Covenant. A perfect blend of historical background and scripture, this book will revolutionize your understanding of God and His integration into your daily life. I will be giving this book away to Christians as well as "the curious" from now on. It's that good!

I love Malcolm Smith. I love all his books, however ONE MAJOR PROBLEM!! I bought this book and his other book "The power of the blood Covenant" at the same time. THE PROBLEM IS THEY ARE

THE EXACT SAME BOOK, PRINTED IN THE SAME YEAR, ONLY THE COVER IS THE DIFFERENT. THANK YOU HARRISON HOUSE PUBLISHERS FOR THE RIP OFF!

The best book on hesed/Covenant I've ever read! Smith does the best job I've ever seen of illuminating this principle as it relates to the New Covenant and our relationship with Jesus Christ. One of the few books I've ever read where my relationship with God improved instantaneously!

This book should be read by all Christians! I know most believers are going thru doubts, frustrations, confusion and misunderstanding about their faith. Have you ever felt like you're living a lie? Have you ever felt like the Christian life would never be real to you?? Have you failed time and time again, only to wonder if that's as good as it will get??? Do you see a vast difference between what the Bible describes and what is true to you in your personal relationship with the Lord? "You shall know the Truth and the Truth will make you free!". Read this book and you will come to know the lost secret of God's New Covenant for you. The truth will cause you to walk in the abundant life found in God's friendship for you!

One of the clearest and well thought out presentations of what it means to be in the life changing new covenant. The historical background of Gods promises and covenants with mankind leading to all the implications for us under a far better covenant. Malcolm Smith writes in a powerful and engaging manner than show the true heart of God and His unilateral covenant than will deliver you from a religious mindset of trying to add to what God has already completed. He succeeds in showing what entering into the rest of God is all about.

This is without a doubt one of the best books that I have read on the covenant. Malcolm Smith has a clear understanding of the gospel. That is why he can discuss the covenant without communicating confusion. This book will bless your spiritual life.

I never tire of Malcolm Smith. His message is pure, simple, loving, gentle, and yet firmly planted in God's Word. This book touched me deeply and is one that I will return to again and again for fresh inspiration. A great investment!
