The Principle And Power Of Kingdom Citizenship: Keys To Experiencing Heaven On Earth

Synopsis

Discover How to Live as a Citizen of God's Unshakable Kingdom! Are you ready to experience life on a new, supernatural level? Then it's time to take your place as a royal citizen in God's unshakable Kingdom. For too long, too many followers of Christ have lived beneath their Kingdom inheritance. They are saved and set-up for eternity in Heaven, yet they continue to live defeated and unfulfilling lives on Earth. In this paradigm-shifting work by Dr. Myles Munroe, he presents the biblical blueprint for what it looks like for you to live as an empowered Kingdom citizen. You will learn to:

- identify and access your royal rights as a citizen of God's Kingdom.
- exercise your authority as an ambassador of Christ in your sphere of influence.
- change atmospheres around you with the climate of Heaven.

The Kingdom is not just about going to Heaven one day after you die... it is about walking in the purpose and power of Heaven today while you are still living on Earth!

Book Information

Customer Reviews

This book is definitely a eye opening experience to read. I love the various illustrations the author gives about kingdoms . One thing I thought very interesting was about the "fall." He asks us what did we really lose in the "fall." I never really thought about that as bring significant to the kingdom. What did Adam and Eve fall from? They did the one thing they were told not to do. They fell from dominion and therefore Adam was no longer getting direction from God. I wonder how many of us have stopped listening to God? Who are we getting our direction from? It is interesting to read in the book that the author said "it is a tragedy that we have produced a religion called Christianity . Jesus

did not invent such a thing." What Jesus did do though was to come to earth "to establish an outpost of the Kingdom of Heaven." I understand more clearly when God said, "let them have dominion." He assigned us to manage what He had created. As we look around we can see that we are very much lacking in the area of taking care of what He created. The book is very thought provoking and takes you into a deeper place in His word. The illustrations the author gives us helps to visualize what the Kingdom is and how we can take back what has been assigned to us. He is very direct and doesn't sugar coat anything. I like to read a book that gives me things to think about and take me deeper into the Word. When he said, "Some need to sell their loyalty to the pastor they love so much but who isn't preaching about the Kingdom", I stopped and re read that sentence. What he is saying is we need to be careful who we are listening to and making sure we are being taught what the bible says.
