Truth Of The Heart: An Anthology Of George Fox, Revised Edition

Synopsis

Rex Ambler's collection of passages from the writings of George Fox (1624-1691) is intended to make available his clearest and most profound writings from the whole range of his works, and to display them in such a way as to show the connections between them. It should therefore be possible, reading the text through, to gain a picture of Fox's whole vision. The anthology is presented in parallel with a translation into modern English, a glossary and a concluding essay 'Making sense of Fox'. This edition has some minor revisions.
